This is a State-ICA-Defense message for Ambassador, USOM Director and MAAG Chief.

The Senate Special Committee studying the Mutual Security Program is retaining distinguished citizens as consultants to make field studies in various areas. Mr. William Randolph Hearst, Jr., (Department's despatch #3690 of October 30, 1956 is biographic sketch of Mr. Hearst), has been designated to study Denmark, Norway, West Germany, Berlin, and Yugoslavia. He will be accompanied by Mr. James Gleason, Administrative Assistant to Senator Knowland, who will act as Mr. Hearst's assistant. Mr. Hearst is to submit a report to the Committee on the fundamental aims of American foreign policy in the areas he surveys, the extent to which these aims are promoted by the Mutual Security Program, and recommendations he has for changes, if any. Mr. Hearst will be concerned with all substantive and administrative aspects of the military and non-military programs. He will meet with the Secretary before departure to discuss the situation and program in Yugoslavia. He will be given a country-by-country briefing by Departmental desk officers, ICA, and Defense November 5. It is anticipated that these briefings will be substantially background and that Mr. Hearst will be provided with all necessary details in the field. He will carry no classified documents.

The Executive Branch regards the Senate study as highly important and wishes the utmost cooperation with the consultants. All Country Teams are requested to provide the fullest assistance to the studies and to report matters of interest to the Department, ICA, and Defense. Missions should meet and assist, arrange and confirm accommodations, plan local briefings, visits with key officials and field surveys of major Mutual Security Program projects. Mr. Hearst also wishes to have the opportunity for discussions with U.S. newsmen, missionaries, businessmen, etc., individually or in small groups.

Embassy Paris is requested to arrange tentative schedule background briefings with SHAPE and EUCOM, outlining general European political and military situation and strategy and place in it of areas assigned Mr. Hearst. It is requested Paris send tentative schedule to the Department no later than November 8. Other Country Teams are requested
